

# Knitters & Crocheters Needed!

**Hurwitz Breast Cancer Fund**  
a fund of Frederick Memorial Hospital

*Help us honor all of the breast cancer survivors participating in this annual fundraiser sponsored by The Hurwitz Breast Cancer Fund at FMH. We are asking crafters of all skill levels to create a scarf for a breast cancer survivor.*

Won't you please consider donating your time and talent for this worthy cause?

## What?

A hand-knitted scarf. Simple or elaborate, whatever your skill level, your scarf will be a welcome addition to the registration bag for each breast cancer survivor.

## Why?

Your scarf and note of encouragement will truly brighten someone's day. We all know someone who has been touched by this disease. Light up someone's life with your act of kindness.

## How?

Visit the website for specifics and drop-off locations. Have a question? Contact Cindy Kaarid (Kaarid@Comcast.net) or Judy Reisman (judyreisman@mindspring.com).

Visit our website for details and drop-off locations.
